

IOS Donation Request Form

Thank you for your interest in our products for your non-profit and/or charitable event. As you can imagine we receive literally thousands of product donation requests each year from our friends in and around the outdoor industry. With that said, unfortunately we are unable to accommodate each request we receive for event donations. Each year we draw from the pool of requests we have received from the prior year until we have reached our donation goal. If you would like to be considered for our annual product donations, please fill out the form spaces below completely and submit your request to the address at the bottom of this page. You will be notified if you have been selected for a donation.
